**OUR MISSION: TO FORM LOVING DISCIPLES WHO WILL TRANSFORM THE WORLD**

## pastor's corner

I leave Sunday night and Monday will join 35 parishioners for our journey to the Holy Land. This will be my 14th visit to that great land, 12 with parishioners from St. Monica. We are grateful for the opportunity to once again visit the sacred places of the life, death, and resurrection of Jesus Christ. I will offer Mass each day in one of those sacred shrines for each of you. Please continue to pray for peace in that great land.

Thank you for a warm, gracious, and generous reception in the last few weeks of our annual stewardship appeal. As I said last Sunday, you are an extraordinarily generous community and I am very grateful to all of you. We are trying our best to remain faithful to the Gospel; to preach and to live the Gospel with all who come to St. Monica. Your support is essential to that mission.

Rev. Ron Rolheiser will be with us in March this year for our parish mission. He is one of the great spiritual writers of this time. I would recommend reading one of his fine books as a preparation for his coming. They are found in our bookstore for your convenience. He will be with us on March 14, 15, and 16. We are very grateful to and blessed by Sr. Edith Prendergast who has arranged this visit for us.

We received word that Fr. Joseph Langford who wrote a beautiful book on Mother Theresa and was co-founder of Mother's priestly order died this week in Tijuana, Mexico. He was 59 years of age and a good friend. May he rest in peace.

### *Blessings,*

## TAIZÉ PRAYER AT THE FOOT OF THE CROSS- WEDNESDAY, NOVEMBER 3, 6:00 PM

Reflect. Meditate. Listen. Pray. Be still.

St. Monica Catholic Community invites you to this ecumenical style of communal prayer modeled after the Taizé community (an ecumenical Christian monastic community of brothers) founded after WWII in Taizé, France. Christians of all religious backgrounds flock to Taizé to pray and experience the peace and centeredness this communal prayer brings. The purpose of the prayer is to foster reconciliation and peace among all people, and provide a space during the week to listen to the voice of God in sung and spoken Word and quiet reflection. The simple service uses the simple chants of the Taizé community, scripture, a service of light, an extended period of silence for meditation concluding with prayers for our community and the world and a blessing concluding prayer to the Holy Spirit. An invitation has been extended to our neighboring churches in the ecumenical community to gather together for this common time of prayer the first Wednesday of the month. For more information about the Taizé community, go to [www.taize.fr/en](http://www.taize.fr/en)

## THE ST. MICHAEL PRAYER GROUP

A prayer group dedicated to the Archangel St. Michael will meet on the First Friday of every month upstairs in the Spirituality Center as part of the day-long Eucharistic Exposition. All are invited to share in prayer, meditation, reflection, and guidance from St. Michael. The group meets 7 pm – 9 pm. If you have any questions, please contact **Mike Faber** at [mjfabus@yahoo.com](mailto:mjfabus@yahoo.com)

## FAITH-SHARING QUESTIONS

**THEME:** God knows and sees our hearts.

**ADULTS:** The Gospel reading suggests that we approach God and each other with humility. What does this mean in practical terms: How do we "humble" ourselves? What does that mean?

**CHILDREN:** Jesus teaches us to be humble – but what does that mean? How do you show you are humble?

### SPORTS NEWS

The Lady Seahawks continued their winning streak as the A Volleyball team sailed past Notre Dame, St. Martin of Tours, Good Shepherd, and St. Sebastian. The B Volleyball team also won their games against St. Martin of Tours and St. Paul the Apostle. Way to go, young ladies!

The SMCES football teams have been victorious of late: the A Football team beat St. Anne's 20-0, the B team won their opening game again St. Anastasia's 5th graders, and the C team's 3rd graders lost a disappointing game against St. Martin early in the week but rallied against St. Anastasia, winning that game 12-6. Congratulations to all!

### WINE TASTING AND SILENT AUCTION

Join the SMCES community on November 20th at 6:30 pm for an evening of fun, fund raising, good wine and food, music, good-spirited auctioning, and great fellowship in our community. Tickets are only \$50 per person, and all proceeds directly benefit the education of our students. Contact **Corrina Miller** at [corrinam3@gmail.com](mailto:corrinam3@gmail.com) for more information and to purchase tickets.

Can't attend? Donating to our Wine Tasting/Silent Auction is a great way to support our school as well as advertise your business or service in our catalog, event displays, and on our website. Your donation is fully tax-deductible. Please contact **Valerie Shore** at [valshore@verizon.net](mailto:valshore@verizon.net) to request a Donation Form or for more information. Thanks in advance for your generosity and support!

### SMCES NEEDS YOU!

In 1996, Hillary Clinton popularized the African proverb, "It takes a village to raise a child." While some critics questioned its origin and argued its philosophy, the proverb is clear that we all have a responsibility to the formation of our children for the common good.

In 1990, and again in 2005, the U.S. Conference of Catholic Bishops stated a similar position in stronger, distinctly Catholic language: "We believe that now is the appropriate time to renew our challenge to the entire Catholic community to join in this critical endeavor. We are convinced that Catholic schools continue to be the most effective means available to the Church for the education of children and young people who are the future of the Church." Please contact your principal to discover how you can join us in this critical ministry!

### MARINERS WEARING RED AND LIVING DRUG FREE

Red Ribbon Week is an alcohol, tobacco, drug, and violence prevention awareness campaign observed annually in October in the United States. Thanks to the great efforts of the SMCHS guidance department, Red Ribbon Week will be observed October 25 – October 29, 2010. Members of the St. Monica Catholic High School community, as well as representatives of the greater Santa Monica community, will partner to provide a week's worth of activities devoted to drug and alcohol awareness.

SMCHS has planned activities throughout this week to address these issues with our students. This year, our Associated Student Body (ASB) will be very involved in the planning of our events. We are also very fortunate to have the Santa Monica Police Activities League join us in our efforts to educate our students. The week will culminate with our annual SMPD vs. St. Monica faculty basketball game Friday, October 29. We would like to thank members of the Santa Monica community for making this informative week possible.

### CATHOLIC SOCIAL TEACHING

#### SERVING THE LEAST OF THESE

Parishes are called to reach out to the hurting, the poor, and the vulnerable in our

midst in concrete acts of charity. Just as the gospel tells us our lives will be judged by our response to the "least of these," so too our parishes should be measured by our help for the hungry, the homeless, the troubled, and the alienated-in our own community and beyond. This is an area of creativity and initiative with a wide array of programs, partnerships with Catholic Charities, and common effort with other churches. Thousands of food pantries; hundreds of shelters; and uncounted outreach programs for poor families, refugees, the elderly, and others in need are an integral part of parish life. The parish is the most significant place where new immigrants and refugees are welcomed into our Church and community. A Church that teaches an option for the poor must reflect that option in our service of those in need. Parish efforts to meet human needs also provide valuable experience, expertise, and credibility in advocating for public policy to address the forces that leave people in need of our charity.

Catholic teaching calls us to serve those in need and to change the structures that deny people their dignity and rights as children of God. Service and action, charity and justice, are complementary components of parish social ministry. Neither alone is sufficient; both are essential signs of the gospel at work. A parish serious about social ministry will offer opportunities to serve those in need and to advocate for justice and peace. These are not competing priorities, but two dimensions of the same fundamental mission to protect the life and dignity of the human person.
